NOTES FROM THE OFFICE

Hope all are having a great summer. It is going by too fast.

Work has been good over the last few months. The Local is averaging over 100,000 hours per month.

Housing and school work is going strong.

This will be an important Election year with the Governor race in November. It is imperative that Minnesota has a Union-friendly Governor. You can look to our neighboring states and see what happens when the Governor is not Union-friendly.

Right-to-Work and the repeal of prevailing wages is what happens. Let’s not be like our neighbors. Stand up for Labor and Union rights.

Vote your job.

Looking forward to seeing Members and their families at the picnic. Thanks for all the work you do.

In Solidarity, Business Manager Tom McCarthy.

CONGRATULATIONS TO NEW RETIREEES
