CONGRATULATIONS TO SCHOLARSHIP WINNERS!

Six scholarships, each at \$1,000, have been established in memory of Brother Elmer Walls. Out of six total winners, Local 34 members brought home two of the prizes:

Monique, daughter of Richard Rondeau, is entering her sophomore year at St. Olaf College, majoring in economics with an emphasis in health care.

Eli, son of Jeff Ahrens, is entering his freshman year at North Dakota State University to obtain a degree in mechanical engineering.

NOTES FROM THE OFFICE

I hope all have had a great summer. The work was plentiful over the last months. Local 34 hours have been reaching over 100,000 hours per month. They are getting close to the post-2007 depression hours. There has been a slight slow-down in September. It appears there will be work starting this fall. The housing market is still going strong. We have been able to organize new members and bring back former members. The strength of the Local is the membership. Thank you for your hard work. It's an honor to represent all members of Local 34.
